SYP CHANEL NO FIVE

Mare • AMHA 0164949

Bay, connected star, strip, snip, right fore partial coronet

Foaled May 24, 2003 • 15.1h+

• Owned By Jeanne Chickering • Price: \$9,500

This lovely mare has been shown by her amateur owner in the hunter pleasure division and road hack divisions at both Morgan breed and open shows across New England always in the top ribbons. She is sweet, willing, pretty and fully equited.

She also enjoys trail riding and is perfect for an amateur or junior exhibitor. With lots of natural motion she can carry you to the winners circle. Her owner is now riding saddle seat, so has no time for this beautiful and typey mare.

Sired by a full brother to the vaunted Futurity French Command, she is out of a daughter of Issues 'N Answers, so she is very well bred and may be an exceptional producer in the future.
